The draft was resumed in this District yester- district, produced a marked effect upon the different day morning, the IXth Sub-District, which is the Fif- persons connected with the Department, There was At 9 o'clock the Committee, consisting of Mesers. complacency which had hitherto marked the conduct of Tompkins, Dean, and Donaldson, commenced counting affairs at this point. Commissioner Beebe read slowly of crowned heads.

Conover, and D. L. Bandeman were held for duty, and substitutes were accepted from Charles Fisher, John T. Bradley, Martin Travis, John Myer, R. Nucsen, and J. Vanouten. Luke Slater, who was drafted in the IVth Jistriets, both at his residence and place of business, furnished Thomas Smith as a substitute, to be credited to the VIth District. Forty-two were exempted for the following reasons: Over age, 7; aliens, 8;

Would never submit to a regency but would at once revellency but would at once revellency. Were his son to die, no doubt he would do.

160 N. Y. Central R. B. 160

The work of hearing claims for exemption in

consequently the time will be extended so that the "unwilling men" may yet change their minds and not render themselves liable to arrest as deserters. Over one hundred causes were heard pesterday—ten persons were men paid their \$300 for exemption. The recent action of the Supervisors has increased the price of substitutes and few can be now found who will enter the ranks for less than \$500. In the Sixth District before the act soveral asabstitutes were obtained for \$150 cach. It is reported that a member of the Militia secured a substitute for \$200 and drow \$300 from the Supervisors—thus making \$100 by the operation.

four substitutes accepted. EIGHTH DISTRICT.

hearing. Among the noted men who called on the Marshal with druft papers was billy Wilson, whose gallant in the last quarter of a century Russia and the United service entitles him to exemption.

No persons were standing in the street in front time to progress in a jet greater ratio. Already of this District—the large hall affording room for the Autocratic Russia overshadows Europe, and, stronge of this District—the large has an arrived accommodation of all the applicants for exemption. The to relate, has set the example to Republican America of the abelition of Slavery! He has fought Russia once, follows: were examined, and less than half that number were accepted yesterday. At such a rate of effort the examinatempt upon the draft.

The Draft Elsewhere.

The draft in the XVth District, which was interrupted on the 14th of July, was resumed in Troy meantime be sees that the Rio Grande frontier is not Railroad for the week ending August 29, 1863; good order, the public in attendance manifesting the most amishis feeling. The regulation calls for 2,340 men from the district.

THURSDAY, Sept. 3-P. M.

The panie which commenced in stocks yesterthis district, under the command of Capt. Duffy, was commerced yesterday morning at No. 428 Broome street, a large number of the draited men responding to the notice served upon them. Upward of 70 or 80 cases were disposed of, only three or four soldiers being obtained out of the lot. Arrangements for conducting the examination with greater dispatch are in progress.

The office of the Provost-Marshal in this district was crowded from an early hour yesterday morning until quite late in the afternoon, the Board extending the district was crowded from an early hour yesterday morning until quite late in the afternoon, the Board extending the provided from the Board that they were compelled to postpone the France nearer to an equal financial footing with the name of a bottlers, and the narket has been exceedingly heavy and weak all the day through, every hour lated that they were consideration of Texas?

The desire to extend the power and augment the territory of France, to maintain his throne and perpetuate which impelh his action in regard to this continent. Many in unique the provost-Marshal in this district was crowded from an early hour yesterday morning until quite late in the afternoon, the Board extending their sixting beyond the usual time for the account means that the provincing prices to-night cognition for loaning the foreign men. The pressure was so great morning until quite late in the afternoon, the Board extending their sixting beyond the usual time for the accounting the morning in order to finish up the hald over cases.

The time given to drafted men in which to appear or present excuses expired year-ending the comment of the leads that the provincing pressure and the province to the Pacific, would have pressure and the low grades and the low grades are before by by the provincing the morning in order to the Pacific provincing the provincing the morning in order to finish up the hald over cases.

The time given to drafted men in which to appear or present exercise and three of the leads the provin day has been of greater magnitude and of a more ex- Markets-Carseully Resource For The N. Y. Tainess. 5); Eric Preferred, 3); Chic. go and North Western, 3); brands, and \$6 40.0 \$7.79 for trade brands as to quality Michigan Central, 3. The decline at the Morning Front is fire, and in fair demand, sake of 500 bols, at \$6.50. Corn Meals less active, but a fair fugury prec Board was but 3.04 \$7 cent, but prices fell immediately full rates; sales of 250 bols, at \$6.50 bols. after the session, and continued to decline at each meet-

From the time the Provost-Marshal's office was opened in the morning until it was closed in the evening a large number of conscripts crowded about the door, waiting patiently for their turn to come for an examination.

Capt. Manierre, with his usual courtesy and his oblig-Capt. Manierra, with his usual courtesy and his obliging staff of assistants, afforded our reporter every faoility needed to obtain facts and figures for publication
in those columns. The proceedings of the Board are
free and open, and were it possible to admit all the applicants for exemption at once, none would be left in the

ett Stripes, 27je. There has been quite a large trade in Prints, more particularly Sprague's. Jobbing prices of Sprague's are 19jo.; Pacific, 20c.; Dunnell, 1891810. of Sprague's are 19jo.; Pacific, 20c.; Dunnell, 18@18jo.; American, 18] @19c.; Allen, 18c.; Richmond, 18c.; new good styles of Dutchess B, 16c. The trade in Fanoy Cassimeres has been very large. The general trade with the domestic housea and the jobbers has been the largest of the season, and the jobbers have cery seldom been so busy in any previous years. The foreign goods market is very seantily sapplied with low and medium-priced dress goods, on account of the activity of the market, and orders are freely given in advance for importations expected to arrive. In the domestic market, printed detaines are advanced to 20c. and at this price are engaged in advance of production and are expected to go to 27c. Foreign Woolens are active.

when how acquires for a rise, and the market has therefore of the most acquires for a rise, and the market without and officered the result of the second of the control of

SEEDS—The market for Clover Sond is quiet but steady at \$1,000. Throothy Seed is firm and in limited request at \$1.05 to \$2.00 \$0 basis. Rough Flaurech is quest but firm at \$1.000 \$2.00 \$0.000 \$1.00
